**RE: ITW Ramset/Red Head Multi-Set II Drop-In Anchors**

Dear Mr. Bielenberg:

This is to certify that the ITW Ramset/Red Head Multi-Set II Drop-In Anchor that is available today is identical the anchor that was available in the 1990's. No design changes have been made to the anchor nor have the installation parameters of the anchor been changed.

Sincerely,

Christopher La Vine  
Manager, Product Engineering
